Discover the Journey of Rajshree from Chai to Pasta

"Our journey began in 1985 with a simple passion for tea and an unwavering commitment to quality. Today, after 40 years of relentless pursuit of excellence, we take pride in our legacy. We believe that great tea is more than just a beverage—it's an experience that unfolds with every cup, holding a story waiting to be savored. We've elevated our products to new heights of satisfaction and appreciation. As we celebrate our growth, we're delighted to have expanded our presence as both Rajshree Enterprises Pvt Ltd and Rajshree Agro Pvt Limited, where we've diversified our portfolio to include a range of agro products such as pasta, vermicelli, and papad, while continuing to perfect the art of tea-making"
